

# Revolutionizing Fintech Solutions

The Power of Strategic  
API Integration with  
LHV

## About iorys

iorys.com is at the forefront of IT solutions for the fintech and online banking sectors, specializing in comprehensive services that include payment hubs, front office, back office, ledgers, and compliance modules. Our mission is to simplify and enhance the operational capabilities of our clients through seamless and efficient API integrations.

### > Introduction

At iorys.com, we are dedicated to empowering fintech companies with cutting-edge IT solutions. Through strategic partnerships and innovative technologies, we strive to revolutionize the fintech industry. One such partnership is with Ihv.ee, a leading provider of banking solutions. Together, we are reshaping the landscape of fintech solutions through seamless API integration.

### > Seamless Integration for Enhanced Fintech Solutions

Our API integration with Ihv.ee offers fintech companies a streamlined approach to incorporating advanced banking services into their platforms. By eliminating the complexities of integration, we accelerate development timelines and reduce costs, allowing fintechs to focus on innovation and delivering value to their customers.

## > **Access to Cutting-Edge Financial Tools**

Through our partnership with Ihv.ee, fintechs gain access to a wide range of cutting-edge financial tools and services. From generating IBANs for SEPA and SEPA Instant to sterling pounds, our integrated solutions empower fintech companies to stay ahead of the curve and meet the evolving needs of their users with confidence and efficiency.

## > **Driving Innovation and Competitive Advantage**

By combining iorys.com's expertise in IT solutions with Ihv.ee's industry-leading banking services, we drive innovation within the fintech ecosystem. Fintech companies leveraging our integrated solutions not only gain access to the latest technologies but also differentiate themselves in a competitive market. With our partnership, fintechs can innovate boldly, secure in the knowledge that they have the support and resources to succeed.

## > Conclusion

The partnership between iorys.com and Ihv.ee represents a paradigm shift in fintech solutions. Through strategic API integration, we empower fintech companies to revolutionize their offerings, drive innovation, and stay ahead of the competition. Join us in shaping the future of fintech – together, we can achieve greatness.

*The integration of IHV.EE API through iorys.com represents a significant advancement in payment processing for fintechs and online banks. By solving the challenge of IHV verification, we enable our clients to conduct international transactions with confidence and efficiency.*
